AGREEMENT

This Agreement is between the Sharon Board of Education (hereinafter referred to as the "Board"), and the Sharon Faculty Association (hereinafter referred to as the "Association").

ARTICLE 1 **RECOGNITION**

- 1-1 The Board recognizes the Association as the exclusive representative of all the certified professional employees of the Board, employed in positions requiring a teaching or special services certificate or durational shortage area permit, for the purpose of negotiations with respect to salaries and other conditions of employment about which either party wishes to negotiate pursuant to Connecticut General Statutes §§10-153g. The Association recognizes the Board as the employer vested with the sole and exclusive powers and authorities to direct and administer the operation of the school district. The Board retains all rights as prescribed by law subject only to the limitations imposed by the language of this Agreement.
- 1-2 The Board reserves the right to themselves alone to establish policies and take administrative action as mandated under the statutes of the State of Connecticut.
- 1-3 The term "teacher" as used in this Agreement, except where otherwise specifically indicated, is considered to apply to all teachers described in Section 1-1 above and shall mean a person employed in a position requiring a certificate issued by the State Board of Education and included in the teachers unit as defined by §10-153(b) of the Connecticut General Statutes.
- 1-4 The term "Superintendent" as used in this Agreement is considered to apply to the Superintendent, Assistant Superintendent or anyone acting in that capacity.
- 1-5 "RSSC" shall mean Regional Schools Services Center.
- 1-6 "Length of Service" shall mean continuous employment with this Board of Education from the teacher's last date of hire.
- 1-7 "The Region" shall mean the seven school districts including the Housatonic Valley Regional High School and the school districts located in the towns of Canaan, Cornwall, Kent, North Canaan, Salisbury and Sharon.

ARTICLE 2
NEGOTIATION

2-1 Matters Not Covered By Terms of the Agreement

2-1.1 The Board and the Association agree to abide by Connecticut General Statutes §10-153f(e).

2-2 Severability

2-2.1 In the event that any provision or portion of this Agreement is illegal or ruled invalid for any reason by an authority of established and competent legal jurisdiction, the balance and remainder of this agreement shall remain in full force and effect.

2-2.2 This Agreement shall not be altered, amended, or changed except in writing after mutual agreement of the parties and after ratification by duly authorized groups and signed by the Board and the Association which writing shall be appended hereto and become part hereof.

ARTICLE 3
GRIEVANCE PROCEDURE

3-1 Definitions

3-1.1 A "grievance" shall mean a complaint by a teacher or a group of teachers or the Association covered by this Agreement that there has been to him/her or them an injury because of a violation or inequitable application of the terms of this Agreement or the conditions of employment, except that the term "grievance" shall not apply to (a) any matter for which a method of review is prescribed by law; (b) any rule or regulation of the State Commissioner of Education; (c) any by-law of the Board of Education; (d) any matter which according to law is either beyond the scope of the Board authority or limited to unilateral action by the Board alone; (e) complaint of a non-tenured teacher which arises by reason of his/her not being re-employed; or (f) a complaint by any certified personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.

3-1.2 "Days" shall mean days when school is in session except during the period July 1 - August 31 when "days" shall mean Monday, Tuesday, Wednesday, Thursday, Friday.

3-1.3 "Party in interest" shall mean the teacher or teachers making the complaint, including their designated representatives as provided herein.

3-1.4 "Forms" shall mean the appropriate forms as appended hereto in Appendix D.

3-2 Purpose

- 3-2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may occasionally arise affecting the welfare or working conditions of teachers. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
- 3-2.2 Nothing herein contained shall be construed as limiting the right of any party in interest having a grievance or dispute to discuss the matter informally with any appropriate member of the administration.

3-3 Procedure

- 3-3.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step shall be considered as a maximum and every effort shall be made to expedite the process. The time limits specified may, however, be extended by written agreement of the parties in interest.
- 3-3.2 In the event a grievance is filed on or after June 1, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.
- 3-3.3 If the teacher(s) does not file a written grievance with his/her immediate supervisor within thirty (30) days after the teacher(s) knows or should have known of the act or condition on which the grievance is based, then the grievance shall be waived. A grievance filed with the Professional Rights and Responsibilities Committee must reach Level One within thirty (30) days of the date of the grievance.

3-4 Level One - Principal or Immediate Supervisor

- 3-4.1 A teacher or group of teachers of the unit with a grievance or dispute shall first discuss it with his/her or their immediate supervisor or Principal, either directly or through the representative of the aggrieved, with the objective of resolving the matter informally.
- 3-4.2 If a teacher or group of teachers is not satisfied with the outcome of the informal grievance procedures as defined in the above, then the teacher or teachers shall present his/her or their claim as a written grievance to the Principal on form 1.
- 3-4.3 The Principal shall, within five (5) days after receipt of the written grievance, render his/her decision in writing to the aggrieved on form 2 in duplicate.
- 3-4.4 One copy of form 2 is to be returned to the Principal by the aggrieved within three (3) days with a response indicated.

3-5 Level Two - Superintendent of Schools

3-5.1 In the event that the aggrieved is not satisfied with the disposition of his/her grievance at Level One, or in the event that no written decision has been rendered by the Principal within five (5) days after presentation of the written grievance, he/she or his/her representative may file within three (3) days of the decision or within eight (8) days after the formal presentation a written grievance with the Superintendent of Schools on form 1.

3-5.2 The Superintendent shall represent the administration at this level of the grievance procedure. Within ten (10) days after receipt of the written grievance by the Superintendent, the Superintendent shall meet with the aggrieved and/or his/her representatives in an effort to resolve it.

3-5.3 The Superintendent shall, within seven (7) days after the hearing, render his/her decision in writing to the aggrieved on form 3 in duplicate.

3-5.4 One copy of form 3 is to be returned to the Superintendent by the aggrieved within three (3) days with a response indicated.

3-6 Level Three - Board of Education

3-6.1 In the event that the aggrieved is not satisfied with the disposition of his/her grievance at Level Two, or in the event no decision has been rendered within ten (10) days after he/she has first met with the Superintendent, he/she or his/her representative may file within three (3) days of the decision or within thirteen (13) days after the formal presentation a written grievance, indicating such dissatisfaction, with the Board on form 1.

3-6.2 A committee of the Board shall, within ten (10) days after receipt of the appeal, meet with the aggrieved and/or his/her representative for the purpose of resolving the grievance.

3-6.3 The Board shall, within thirty (30) days after such meeting, render its decision and the reasons therefore in writing to the aggrieved on form 4 in duplicate.

3-6.4 The aggrieved shall return one copy of form 4 to the chairman of the Board within three (3) days with a response indicated.

3-7 Level Four - Arbitration

3-7.1 If the aggrieved is not satisfied with the disposition of his/her grievance at Level Three, he/she may, within three (3) days after the decision, or within thirty-six (36) days after the Board meeting, request, in writing on form 1 to the president of the Association that his/her grievance be submitted to arbitration.

3-7.2 The Association shall, within five (5) days after receipt of such request, render its determination to the Board and to the aggrieved on form 5 as to whether or not the grievance is meritorious and the reasons therefore.

- 3-7.3 If the grievance is deemed meritorious by the Association, the chairman of the Board and the president of the Association shall, within five (5) days after such written notice, jointly select a single arbitrator who is an experienced and impartial person of recognized competence and indicate such on form 5. If the parties are unable to agree upon an arbitrator within five (5) days, the American Arbitration Association shall immediately be called upon to select the single arbitrator. The Board and the Association shall be bound by the rules and procedures of the American Arbitration Association.
- 3-7.4 The arbitrator selected shall confer promptly with representatives of the Board and the Association, shall review the record of prior hearings, and shall hold such further hearings with the aggrieved and other parties in interest as he/she shall deem requisite.
- 3-7.5 The arbitrator shall limit himself/herself to the issues submitted and shall consider nothing else. He/she can neither add anything to nor subtract anything from the Agreement between the parties.
- 3-7.6 The arbitrator shall, within ten (10) days after the close of the hearings, render his/her decision in writing to all parties in interest, setting forth his/her findings of fact, reasoning, and conclusion on the issues submitted. The decision of the arbitrator shall be final and binding upon all parties in interest.
- 3-7.7 The costs for the services of the arbitrator shall be borne equally by the Board and the Association.
- 3-8 Rights of Teachers to Representation
- 3-8.1 No reprisals of any kind shall be taken by the Board or by any member of the administration or by the Association or aggrieved against anyone by reason of participation in the grievance procedure or support of any participant thereto.
- 3-8.2 Representation at any level of the grievance procedure shall be limited to the grievant and/or an authorized Association representative, except that only the Association may present a grievance at Arbitration.
- 3-9 Miscellaneous
- 3-9.1 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 3-9.2 Copies of the forms to be used in processing a grievance and for reporting decisions and recommendations shall be made available by the Superintendent and the chairman of the Professional Rights and Responsibilities Committee of the Association.

ARTICLE 4
TERMINATION AND RECALL PROCEDURES

4-1 General Statement of Policy

It is recognized that under state law the Board has the responsibility to maintain good public elementary and secondary schools and to implement the educational interests of the State. However, recognizing also that it may become necessary to eliminate professional staff positions in certain circumstances, this policy is adopted to provide a fair and orderly process should such eliminations become necessary.

4-2 Procedure

4-2.1 The Board may, in the first instance, exercise its right and power to reduce the number of teaching staff positions without determining which teacher contracts will be terminated, if any, or what other staffing changes will be made to effectuate the purpose of position elimination.

4-2.2 Prior to commencing action to terminate teacher contracts under this policy, the Board will give due consideration of its ability to effectuate position eliminations and/or reduction in staff by:

- 1. Voluntary retirements**
- 2. Voluntary resignations**

4-2.3 If the position of a teacher who has attained tenure status is eliminated by the Board, such teacher will have the right to be placed in an available position for which he or she is certified and qualified. Available positions shall include those held by non-tenured teachers.

4-2.4 When the Board votes to eliminate a position in a department or subject area, the following criteria shall apply in determining what teaching contracts, if any, will be subject to termination. The criteria shall be applied sequentially and are:

- (a) Certification**
- (b) Total continuing paid teaching experience in the school district. Unpaid leaves of less than one school year shall not be considered an interruption of "total continuing paid teaching experience."**
- (c) Performance as determined by written summary evaluation.**
- (d) In the event that the application of the criteria (a) (b) (c) is not sufficient to determine which teacher's contract will be subject to termination, the date of contract signing will be the determining factor.**

4-3 Recall Procedure

If the contract of employment of a teacher is terminated because of elimination of teaching positions, the name of that teacher shall be placed on a reappointment list and remain on such list for a period of two (2) years. If a position becomes open during such two (2) year period, teachers shall be recalled in the inverse order of being laid off, provided said teacher is certified and qualified for said position. The teacher will be notified in writing by certified mail, return receipt requested, sent to his/her last known address, at least thirty (30) days prior to the anticipated date of reemployment. In determining whether a teacher is qualified for reappointment, the Board shall consider criteria as set forth in 4-2.4 above. The teacher shall accept or reject the reappointment in writing within ten (10) days of receipt of notice. If the appointment is accepted, the teacher shall receive a written contract of employment within twenty (20) days of receipt of the teacher's reply by the Board. If the teacher rejects the appointment offer or does not respond according to this procedure within ten (10) days, the name of the teacher will be removed from the recall list.

4-4 The provisions of Article 4-1 and 4-2.1 shall not be subject to the grievance procedure as set forth in Article 3.

4-5 This article shall not apply to employees holding durational shortage area permits. These individuals have no contractual right in reference to layoff and/or recall.

ARTICLE 5
PROTECTION OF TEACHERS

5-1.1 Teachers shall report immediately in writing to their Principal or immediate supervisor and to the Superintendent all cases of assault or legal action suffered by them in connection with their employment.

5-1.2 The Board and the Association recognize that "Protection of Teachers" is provided for in Connecticut General Statutes.

ARTICLE 6
USE OF TEACHER VEHICLES

6-1 Insurance on Vehicles

6-1.1 The Board is protected, under the non-ownership clause of its transportation insurance, against judgment arising from accidents in which a school teacher, using his/her personal vehicle on school business, is involved. The first claim, however, is placed against the owner of the vehicle.

6-2 Mileage reimbursement where authorized by the Board will be at the rate specified by the I.R.S. and adjusted as per date of publication by the I.R.S.

ARTICLE 7
LEAVES

7-1 Personal Illness

7-1.1 Fifteen (15) days of sick leave per year, effective at the beginning of each work year, will be granted to each teacher. Unused sick leave will be accumulated to a maximum of one hundred sixty-five (165) days. If the accumulated sick leave is exceeded, salary deductions thereafter will be at the per diem rate of full salary until employment of the teacher is terminated.

7-1.2 Half days, which can be covered by administrative staff, will not be charged against the teacher. These half days include days where the administrator assigns other teachers to cover classes for the teacher who needs to be absent from the building due to illness. This section only covers occasions in which an emergency situation arises during the workday. No teacher shall be compensated for providing emergency coverage for a colleague. Preparation periods that are missed in compliance with this section are not subject to the grievance process. This leave is not available for scheduling of appointments during the workday, other than those appointments covered under FMLA.

7-1.3 A medical certificate is required for sick leave of any duration if a teacher's absence from duty occurs frequently or habitually and when, in the judgment of the Principal, evidence indicates reasonable cause for requiring such a certificate.

7-1.4 The Board agrees that the first thirty (30) school days of any approved leave covered by Workers' Compensation will not be counted as sick leave. A teacher receiving Workers' Compensation pay shall receive a rate of pay equal to the difference between his/her earned salary and Workers' Compensation pay for the first thirty (30) days of the teacher's leave, unless greater coverage is required by law. Beyond the first thirty (30) days of the teacher's leave, except in cases covered by Connecticut General Statutes Section 10-236a, the teacher may use accumulated sick leave up to sixty (60) days on a pro-rated basis to supplement his/her Workers' Compensation temporary disability benefits so that the teacher receives full pay.

7-1.5 After accumulated sick leave has been exhausted a leave of absence will be granted without pay to the end of the school year for extended illness, injury or disability (including disability arising out of pregnancy) occurring during the summer or within the school year. However, determination should be made by June 15 as to whether the teacher will be able to return to full-duty status the following September or whether a replacement should be hired. In the event of full recovery after a replacement has been hired, the teacher will be given special consideration when there is a vacancy in an equivalent position.

(a) All insurance, retirement, and other teacher benefits shall continue in force for any teacher on leave without pay, provided that the teacher pays all premiums, contributions, and other costs requisite to keep such benefits in force during such period.

7-2 Family Illness

7-2.1 Where the teacher's presence is required, up to three days leave per year, non-cumulative, will be granted by the Principal for illness of a teacher's child, spouse, spouse's parent, parent or dependent. Section 7-2.1 also applies to partners in a legally recognized civil union.

7-3 Bereavement

7-3.1 Up to five days leave at any one time, non-cumulative, will be granted by the Principal for death in the immediate family - here defined as husband, wife, either spouse's parent or legal guardian, grandparent, grandchild, child, sister, brother, or other relative/dependent living within the teacher's household. Section 7-3.1 also applies to partners in a legally recognized civil union.

7-4 Personal Leave

7-4.1 When arrangements cannot be made by the teacher for a time outside of the regular school day, each teacher is entitled to two (2) days personal business leave per year, non-cumulative, with full pay. No personal leave may be taken to extend a vacation or a holiday without written approval of the Superintendent or his/her designee. Approval for leave request shall not be arbitrarily or unreasonably withheld.

7-4.2 In the case of religious holidays, up to three (3) days per year may be granted with no resulting loss in personal days.

7-4.3 Notification of personal or religious leave must be made in writing at least five (5) school days in advance, except in emergencies which prevent such advance notice.

7-4.4 Personal business leave generally refers to business that cannot be transacted outside of school hours including, but not limited to, the following: attendance at the graduation exercise or travel to a graduation of self or an immediate family member, marriage of self or a member of the immediate family, and compulsory legal matters.

7-4.5 Section 7-4.1 also applies to personal affairs involving partners in a legally recognized civil union that cannot be conducted outside of the regular school day.

7-5 Sabbatical Leave

7-5.1 Desiring to reward professional performance and encourage independent research and achievement, the Board hereby initiates the policy of sabbatical leave for teachers for approved scholarly programs whether or not carried on in an academic institution, subject to the following conditions. It is understood that the granting of sabbatical leaves is within the discretion of the Board of Education.

(a) Not more than one teacher in the Sharon Center School shall be absent on sabbatical leave at any one time.

- (b) Request for sabbatical leave must be received by the Superintendent in writing in such form as may be required by the Board no later than December 31 of the year preceding the school year for which the sabbatical leave is requested. The Board shall reply within a thirty (30) day period.
- (c) The teacher has completed at least seven consecutive full school years of service in the school district.
- (d) Salary paid to a teacher on sabbatical leave shall be paid at the rate of three-fourths (3/4) of his/her basic salary which would have been in effect had he/she remained in the system, proportionate with the length of the leave.
- (e) The teacher shall agree to return to employment in the Sharon Public Schools for one full year for each one-half year's leave. Upon such return the teacher shall be placed on the appropriate step in the salary schedule as though such teacher had not been on leave.
- (f) Basic salary paid teachers on sabbatical leave will be advanced upon a personal note, repayable within two years from completion of the agreed study period if the individual fails to return for the required one or two years. The note which the teacher shall execute shall include the obligation to pay the Board's reasonable attorneys fees in the event the teacher fails to return from sabbatical leave or leaves the Board's employ prior to the expiration of the required one or two year period. Such note shall be reduced on a pro-rata basis and shall be automatically canceled upon completion of the agreed term of post-study employment or upon permanent disability or death of the teacher. For example, ten (10%) percent of a one-year obligation or five (5%) percent of a two-year obligation will be canceled upon completion of each month of return service.

7-6 Jury Duty

- 7-6.1 If the teacher called for jury duty cannot be excused from such duty on his/her own request or the request of the Principal or Superintendent of Schools, he/she shall receive leave for jury duty.
- 7-6.2 The teacher shall notify the principal upon receipt of a summons to jury duty.
- 7-6.3 The teacher receiving leave for jury duty shall receive a rate of pay equal to the difference between his/her earned salary and jury fee.

7-7 Special Leave Request

- 7-7.1 Leaves not covered by the preceding sections may be granted by the Board of Education, without pay and without establishing precedents for similar requests, upon timely application from the teacher.

7-8 Maternity

7-8.1 An employee who is pregnant shall receive a leave of absence for the reasonable period of physical disability due to childbirth. Such leave shall be treated the same as any other short-term disability, and shall be with pay to the extent of accumulated sick leave. Except in the case of medical difficulties, sick leave is not normally expected to continue for more than six (6) weeks after delivery. Upon her return the teacher shall be assigned to her former position.

7-9 Parenting Leave

7-9.1 Any tenured teacher in the bargaining unit shall be eligible, upon written request to, and approval of, the Superintendent, which approval will not be unreasonably withheld, for an extended leave for the purpose of parenting. Such leave shall be without pay and fringe benefits and for a period of time of not less than one (1) semester or more than two (2) school years from the date of the beginning of said leave. Any such leave must begin within six (6) years of the birth or adoption of the child for whom the leave is taken. Any parenting leave must be followed by a term of active continuous employment of a least one (1) year before such leave can be taken again. Teachers on parenting leave must notify the Superintendent of their intention to return to work on or before March 1st of the leave year or the position will be considered vacant, and will be filled in accordance with Article 14-2.

7-9.2 A teacher on such leave shall, if reinstated, be reinstated on the first day of school in the subsequent school year, or as otherwise determined by the Superintendent with Board approval.

7-9.3 No benefits (including seniority) shall accrue while any teacher is on said leave but all benefits existing on the commencement of leave shall be restored upon reinstatement. Any such reinstated teacher whose leave exceeded one semester shall be placed on the step of the salary schedule he or she occupied during the last school year worked by the teacher. Any such reinstated teacher whose leave did not exceed one semester, shall be placed on the salary schedule one step higher than that he or she occupied during the last school year worked (unless said leave and said reinstatement occurs in the same school year). No step movement is earned upon reinstatement from parenting leave unless such step movement is included in Appendix A for the respective salary schedule for the subsequent school year.

7-9.4 At the end of such leave, the teacher shall be reinstated to a position equivalent to that held at the time the said leave began if such a position exists.

7-9.5 Except in emergency situations, a request for such leave shall be made at least sixty (60) days prior to its commencement unless, in the case of an adoption, a teacher receives knowledge of the effective adoption date less than sixty (60) days prior to commencement of leave, in which case such request shall be made upon receipt of such knowledge.

7-9.6 Where both parents are covered by this agreement, they shall not be eligible for such leave at the same time.

- 7-9.7 No teacher shall be eligible for more than one such leave per child.
- 7-9.8 Any such teacher may continue to participate in the group medical insurance plans at his or her own expense during the period of such leave.
- 7-9.9 Section 7-9.1 also applies to partners in a legally recognized civil union.
- 7-10 Consultant's Leave
- 7-10.1 Each teacher will, with permission from his/her Principal, Director of Pupil Services, and/or Superintendent, be allowed two (2) days without loss of pay for the purpose of acting as a consultant within his/her particular area of expertise. The teacher may choose to take these days with or without pay. If the teacher elects to take the day with pay, all consultation fees shall be signed over to the Board.
- 7-11 Sick Leave Bank
- 7-11.1 Each teacher shall be permitted to contribute three (3) days from his/her sick leave accumulation reserve each school year to a "Sick Leave Bank" which shall be established to aid teachers who suffer prolonged illness and whose sick leave accumulation has been exhausted. The bank shall be built up to a maximum of one hundred eighty-five (185) days.
- 7-11.2 A teacher may be permitted, on written application, to draw up to thirty-five (35) days against the sick leave bank after his/her own accumulated sick leave has been exhausted.
- 7-11.3 The following conditions shall apply:
- (a) Additions to the bank shall be made at the beginning of each school year.
 - (b) A person withdrawing from membership in the bank will not be permitted to withdraw the contribution days.
 - (c) Persons withdrawing sick leave days from the bank will not have to replace these days except as a regular contributing member to the bank.
 - (d) Sick leave shall mean the leave the teacher has for that year plus his/her accumulation.
 - (e) A sick leave bank will be administered by a committee of four (4), two of whom shall be appointed by the Association and two by appointment of the Superintendent.

ARTICLE 8
SCHOOL DAY AND YEAR

- 8-1 Each teacher will be on duty before and/or after school for a total of thirty (30) minutes daily to plan and carry out individual professional responsibilities. The Principal may approve exceptions.
- 8-2 Should the length of the teachers' workday be increased, teachers shall be compensated at the hourly rate of 1/1,295 of their annual salary.
- 8-3 If a teacher's work year is extended by the Board beyond 185 days, additional compensation for any such days shall be at the rate of 1/185 of the teacher's salary. If a teacher's work year is reduced by the Board to less than 185 days, the compensation for any affected teacher shall be reduced by 1/185th for each day that the work year is reduced.

ARTICLE 9
LUNCH PERIODS

- 9-1 Teachers shall have a duty-free lunch period of not less than twenty minutes.

ARTICLE 10
CLASS SIZE AND TEACHER LOAD

- 10-1 Optimum class size for kindergarten and first grade will be eighteen (18) to twenty-two (22) pupils, and for other grades twenty (20) to twenty-five (25). The Board will give consideration to splitting classes when enrollment begins to move appreciably beyond these optimum sizes.
- 10-2 All teachers shall have an average of one (1) preparation and planning period per day equal in length to the amount of time allotted for special instruction in art, music, and physical education, computer and library, as long as these special instruction classes are offered.

ARTICLE 11
MEETINGS

- 11-1 A schedule of local faculty meetings will be developed in September of each school year. These will be arranged for a given day of the week. They will generally be held monthly and not more frequently than twice monthly. A predetermined time for beginning and ending such meetings will be established. General information items not requiring discussion will be distributed via faculty bulletins.

ARTICLE 12
DETERMINATION OF PAY INCREASE STATUS

- 12-1 The Board reserves the right to withhold a pay increase in cases where service is deemed less than satisfactory. A decision to withhold such increase will be made by the Superintendent and shall be communicated to the teacher no later than April 1. Said action shall be based upon written evidence presented by the Superintendent to the teacher and the Principal. This evidence shall indicate that attempts have been made by supervisory and administrative personnel to aid the teacher in correcting the reported inadequacies. These efforts to help the teacher must have been made during the period commencing April 1 of the previous school year and ending March of the current school year. After one year of satisfactory service, as determined by the evaluation plan, the teacher will be placed on the step of the salary schedule appropriate with his/her education and length of service.

ARTICLE 13
JUST CAUSE

PLACEMENT ON SALARY SCHEDULE

- 21-1 New teachers will be placed on the salary schedule in accordance with their training and prior experience as outlined below:
- 21-1.1 New teachers will be placed on the salary schedule at or above BA Step 1. Up to full salary credit for prior experience may be granted according to the current salary schedule after evaluation by the Superintendent in conference with the candidate. No teacher will be placed higher on the salary schedule than previous experience would warrant.
- 21-1.2 Equivalency of prior relevant non-teaching experience may be worked out by a candidate and the Superintendent subject to approval of the employing Board of Education.
- 21-1.3 Evaluation of previous experience and the granting of less than full service credit may be in order when there has been an absence from teaching service for more than five years; when prior service was under other than public school auspices; or when a retired teacher is returning for temporary service. Such evaluation will be done by the Superintendent in conference with the candidate and will be embodied in the Superintendent's recommendation to the Board.
- 21-2 Up to two years' salary credit will be granted for full time, active military service or for active Peace Corps service on a year for year basis.
- 21-3 The following definitions will apply to training status:

- 21-3.4 Teachers presently employed on the sixth year schedule will retain their position on such schedule. Teachers covered by this contract who have earned doctorate degrees shall be placed on the appropriate step of the Doctorate Schedule.
- 21-3.5 Changes in degree status will occur in September and February. Teachers who anticipate changes in degree status must notify the school administrator by February 1st of the preceding year and must declare whether the change will take place in September or February. In order to obtain the degree change, such teachers must provide the school administrator with an official transcript verifying the degree status before August 31 for a September change and before January 31 for a February change. Degree status change will not take place without the submission of such verification and the late submission of such verification will cause the degree change to take place at the next change time. That is, a late September submission would become effective the following February.

At no time, however, during the life of this Agreement shall a teacher who works less than full time for the Board pay a lower percentage for his/her insurance than 1.0 FTE teachers.

All new teachers hired after 6/30/2006 who work less than .5 FTE will pay 100% of the cost of their chosen insurance plan.

Said plan will be designed to permit exclusion from taxable income of the employee's share of health insurance premiums, allowable medical expenses and dependent care pursuant to IRS regulations for those employees who complete and sign the appropriate wage deduction form. The Sharon teachers shall be permitted to make pre-tax wage deductions as described in Section 125, as amended from time to time. The Sharon Board of Education shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax-exempt status of the employee insurance premium contributions. Neither the Association nor any employee covered by this Agreement shall make any claim or demands nor maintain any action against the school district or any of its members or agents for taxes, penalties, interests or other costs or loss arising from the use of the wage deduction form or from a change in law that may reduce or eliminate the employee tax benefits to be derived from this plan. Further, the parties agree that the health insurance benefits and the administration of those benefits shall continue to be governed by the collective bargaining agreement and the carriers' insurance plan.

The "substantially equivalent to or better than" standard shall be applied on program-wide analysis, including the network, and shall not be benefit specific.

At least sixty (60) days prior to changing insurance carriers, the Board or its designee shall notify the Association in writing. Upon request, the parties shall meet to discuss the proposed change. Should the Association and the Board disagree that the changes proposed would provide substantially equivalent coverage, when viewed in total, the disagreement shall be subject to impartial arbitration before a mutually agreeable member of the American Arbitration Association. The Board will not change to the new insurance carrier until the Arbitrator's decision has been issued in writing.

22-5 The Patient Protection and Affordable Care Act ("PPACA"; Public Law 111-148) has set forth and codified under the Internal Revenue Code ("IRC") section 4980I the imposition of an excise tax related to employer provided health insurance plans that exceed certain value thresholds. The impact of the excise tax is scheduled to take effect in 2018. Should any Federal statute or regulation pertaining to IRC section 4980I be mandated to take effect in the 2017-2018 contract year triggering the imposition of an excise tax with respect to the contractually agreed upon insurance plan offered herein, the parties agree to commence mid-term negotiations on the excise tax in accordance with the Teacher

Negotiation Act. Such negotiations shall be limited solely to the distribution of payment of the excise tax between the Board and the Association. Health insurance plan offerings, coverage, design, premium cost share and other related subject matter shall not be subject to this re-opener provision for the 2017-2018 contract year.

- 24-3 To be eligible for reimbursement, the teacher must have prior approval of such graduate level courses from the Superintendent or his/her designee.
